to cook rice things as rolling off a log, especially when you buy one of those Cook Stoves from R. L. STONE. Have you seen the Dewey Cook Stove? Why, it is grand. Have you seen the Fizz Lee and Good Luck? Just take a look at them. Also take a look at the Steel Ranges and our Air-Tight Stoves. I can show you the finest that are made. I will not name any prices here, but I will guarantee to be cheaper than anyone. I am a born stove man, and practical in all its branches. I haven't got the business to learn, especially when I have been working at it for 25 years. My prices will knock the persimmons off the trees. Many a dollar will be saved if you call on R. L. STONE, the oldest stove house in the city, 203 Commerce street.

RHEUMATISM.

Mr. Thos. Larns, of Richmond, Va., says: "I suffered for three months with Rheumatism. During that time I was treated by two of the best physicians of Baltimore. Returned home to Richmond, Va., and was cured by Dr. Bailey's treatment. Could not get my feet to the floor by several inches. Was advised by one of the leading physicians of Richmond to put myself under Dr. Bailey's treatment, who has cured me."

This is a genuine testimonial and can be seen at any time. If you have Rheumatism I will cure you just as surely as night follows day. Write or call. Advice and examinations FREE.
